

## **RIGHT OF SUBSTITUTION**

The purchaser may appoint or substitute any natural person or legal entity to be jointly and severally liable for the rights arising in their favour from this sale. In this respect, it is stipulated that in the event that the right of withdrawal is exercised by the substitute or joint purchaser, the original purchaser, in respect of whom the right of withdrawal has already been exercised, remains obliged to purchase the property(ies).

In addition, this substitution will only take effect after any loan(s) has/have been granted to the beneficiary of the substitution or to the joint purchaser.
